15TH ANNUAL JURIED ART SHOW NOV. 3-DEC. 7, 2023

RIVERVIEWS' JURIED ART SHOW IS A NATIONALLY ANTICIPATED EVENT AMONG ARTISTS AS WELL AS ARTS AFICIONADOS AND COLLECTORS.

Hundreds of artists from throughout the United States enter their artwork of any medium into this competitive event at which the juror will select finalists to exhibit at Riverviews Artspace in November and December of 2023.

For the artists, it is an honor to be selected as a finalist and a prolific statement to the value of their work. For the audience, it is a rare opportunity to experience some of the most exciting artwork meeting the sophisticated standard of studio arts professor Laura Pharis. Opening night of this exhibit typically attracts 400-500 patrons.

By becoming a sponsor of Riverviews' 15th Annual Juried Art Show, you encourage the dynamic interchange between community and artist, between making and creating art, allowing the audience to experience cultural awareness through contemporary art.
